## **1.3 CRITERIA WISE SUMMARY**

### **Curricular Aspects**

Government Indaru Kenwat Girls' College, Kanker is one of the pioneer colleges for girls' education in the tribal dominated areas of Bastar division. It was established in the year 1989 under Pt. Ravi Shankar Shukla University, Raipur and later it was affiliated to the Bastar University. Since then, our college has played a pivotal role in the development of girls' education. Our college is recognized under the section 2 (f) and 12 (B)

of the UGC Act 1956. The institution offers UG courses of arts and science and PG courses of English Literature, Sociology, and Hindi. Literature. The college is destined for broad spectrum development of girl students by a systematic schedule for learning as well as sports and extracurricular activities like NSS. The internal examination cell issues time table and monitors unit test, quarterly and pre- final test. The regular teachers of the college represent the college in the paper setting, evaluation, and other implementation of the curriculum of the university. The college follows the university for the curriculum. According to the university syllabus academic sessions are being conducted. According to the academic calendar of the university we conduct many examinations such as unit tests, pre final tests, oral tests, surprise tests etc. At the same time the institution helps in developing moral values by imparting additional values like gender equality, human values, soft skills, environmental cleanliness and plantation. The feedback of the students is collected and analyzed by the institution regularly.

### **Teaching-learning and Evaluation**

After completing 12h the students of arts and science faculties are entitled to get admission in the college. Students of all categories (ST, SC, OBC and General) including minorities are allotted seats according to the merit list. The teaching, learning and evaluation cell of the college tries to provide for the various needs of the students. The college keeps record of the enrolled students during each academic year. The institution follows reservation policy in admission as per given norms of central /state government. Majority of the students belong to financially backward categories and are also from rural background. Almost 97% of the seats are occupied by ST, SC and the OBC candidates respectively.

The institution appoints guest lecturers to compensate studies in subject with vacant posts. The teachers engage students in advanced learning and learning methods involving group discussions, seminars, quiz competitions. The use of ICT specially by the science department and students are encouraged to participate in extracurricular activities like debate, slogan, poster making, rangoli, essay writing, painting and sports activities. They are also encouraged to participate in NSS/Yoga/ plantation activities. Result analysis of university examination by every department is done by the teachers every year at the end to evaluate the learning skills of the student and for the attainment of the program outcomes.

### **Research, Innovations and Extension**

The college runs degree programs (under graduate) in arts and science faculties and P G programs in English Literature, Hindi Literature and Sociology. The department of Hindi is conducting research program under the name Hindi Shodha Adhyan Kendra which was established in the year 14/01/2020 under the guidance of Dr Ramayan Prasad Tandon and Ph. D. courses are being conducted under his guideline. One of the Scholars had been awarded Ph. D. and 4 of the scholars are pursuing for Ph.D.

The institution motivates its students to engage in social responsibilities by organizing awareness, free health checks up camps etc.

### **Infrastructure and Learning Resources**

The college has its own building since July 2018 with ground floor and first floor with infrastructure facilities such as 15 classrooms and 5 laboratories, girls' common room, NCC and sports room. The college has digital

library, reading room and around 15,000 books are available. Well-furnished lab equipment and books are purchased annually to meet the growing demands of the college. The institution has sports officer to provide opportunities in the field of sports. The college organizes cultural and literary events regularly. The details of the college are available in the college website. All the notices, admission fee and scholarship, code of conduct can be accessed by the students easily. ## 4. Quality Indicator Framework(QIF)

### Criterion 1 - Curricular Aspects

#### 1.1 Curricular Planning and Implementation

##### 1.1.1 The Institution ensures effective curriculum delivery through a well planned and documented process

##### Response:

Govt. Indaru Kenwat Girls' College is the only girls' college in the district of North Bastar Kanker of Chhattisgarh state. It is one of the oldest UG colleges in the Naxal- affected areas of the district. This college is conducting undergraduate courses in the faculties of arts and science. Since 1989 our college had been running the courses in arts group. In the last decade, we started the course of B. Sc. In the meantime, some subjects at PG level were also introduced viz. Hindi Literature, Sociology and English Literature. Officially our college has not been declared a PG college as we have only three subjects at the PG level. According to the norms our college may be declared a PG college after adding some more courses at the PG level. Apart from our regular courses we also organise some short-term workshops on skill development programs like yoga, computer's basic knowledge, spoken English, personality development courses, nutrition intake programmes have been conducted by the college.

Orientation session is conducted for all the students at the outset of every session in order to make students aware of the course curriculum, academic calendar, activities of the college etc. Few of the faculty members are appointed as the Members of Board of Studies in the related university. So, grievances with regard to the curriculum are represented to the university through these members. In the beginning of each academic session all the departments prepare an academic calendar which exhibits the action plan for the year. Participation in seminars, workshops, and faculty development programmes is added function for all the teachers. Many of the faculty members are appointed as external examiners in different examinations. Some of the Faculty members are selected to check the answer sheets of the state PSC. Playing the role of paper setters and papers evaluators of Shaheed Mahendra Karma Vishvavidyalay, Jagdalpur earlier our faculty members were also setting papers and evaluating papers for Pt. Ravishankar Shukla University, Raipur when our college was affiliated to it. Our college has one research guide and one non-teaching doctorate with two faculty members who have submitted their theses for the degree of Ph. D. in their respective subjects. some of the faculty members are NET and SET qualified (Six are from teaching staff and three from non-teaching staff).

The teachers of our college are in the practice of preparing teaching plans. They write daily diaries and sometimes they organise extra classes to complete their course. One of the teachers has the highest quality of Ph. D. in his subject while two of the teaching staff have submitted their these for the degree of Ph. D. Our college believes in a continuous and comprehensive evaluation system and to ensure the same objective, various departments conduct several activities to evaluate the students. Structured feedback on the curriculum is collected and analyzed. The report of the feedback is prepared and forwarding the same for action to be taken is a regular practice of the college.

### 1.1.2 The institution adheres to the academic calendar including for the conduct of CIE

#### Response:

We try to follow the directions of the Higher Education Department as well as of the affiliating university regarding the academic calendar from the admission of the students to the final examination. Admission to the various programmes are materialized by adhering to the norms of the affiliated university and the higher education policy of the state of Chhattisgarh. Our university follows online and offline admission procedures in its affiliating colleges. The eligible students' list is made available in the college portal as well as registers are maintained in the respective college and interested candidates are advised to complete the admission procedure within the stipulated time period. We try to follow strictly the academic calendar and try to ensure the regularity of the classes. Suggestion and complaint box is also made available for the students if they have any problem regarding the conduction of the classes. They may also suggest for the betterment in this regard. It has not been made compulsory for them to mention their names with the suggestions and complaints. We try to resolve the issues on a priority basis. An orientation program is organized for all the students in the beginning of the session in order to make them aware of their code of conduct and about the available facilities in the college. An anti-ragging cell is being operated in the college. Anti-ragging forms are submitted by every student of the college to support anti-ragging practices where she takes an oath that she would not be involved in ragging activities.

We strictly follow the time schedule declared by the university and the Higher Education Department of the state government. The admission process is accomplished on time and we try to follow the instructions of the government. The NSS camps are organised by the college every year. Here also we do so in the scheduled time period. We try to follow the same with regards to the annual function and sports activities. in our college.

At the departmental level yearly, an academic calendar is prepared which reflects about the complete planner of semester/annual programs. The college has every essential facility such as ramps, signposts, newspaper stands and other basic requirements for the students.

The campus of Govt. Indaru Kenwat Girls' College, Kanker is entirely wi-fi enabled. Two classrooms are equipped with an LCD projector and one Conference hall enabling the teachers to conduct ICT classes for students. Faculty members adopt various innovative methods such as co-operative learning, brainstorming and experimental learning, and ICT classes for achieving successful and permanent learning. Grievances of students and staff members are redressed on time by the competent authority.

## 1.3 Curriculum Enrichment

### 1.3.1 Institution integrates crosscutting issues relevant to Professional Ethics ,Gender, Human Values ,Environment and Sustainability into the Curriculum

Response:

Our college conducts various one day workshops for professional ethics, gender equality, human values, environment and sustainability into the curriculum.

The department of state police and some private groups organized some self-defence programmes for the students of our college for their safety. Various laws for girls' protection were told about under these programmes.

Our college has a written code of conduct to deal with the professional ethics for both students and the

college staff. Strict actions are taken if someone found disobeying it. To incorporate Human Values like sympathy for the poor and the weaker sections of the society and helping the persons in need the Youth Red cross and NSS units of the college come forward. The NSS unit of the college organizes special camps for the students which give them the opportunity to come into contact with the various sections of the society during the camps as they live there for a week. The Red cross unit of the college conducts regular blood group test camps where the students become aware of their blood groups. They are also told about the importance of blood donation and how they can help the persons who are fighting for their lives because of accidents or sickness. They are promoted to donate blood to the persons who urgently need their help. Participation of the students in various camp activities like *shram daan*, old books and clothes donation and cleanliness drives to keep our college clean develop social and human values and also support in the growth of the personality of the student.

The NSS unit of the college plays an important role in this regard. During the regular activities, the students are helped to become the real citizens of the state. Various activities show that there should be no difference between a male and a female. All have equal rights and there should be gender equality. The special camps are organised by the NSS unit in the nearby villages every year. There too the students try to spread the message of gender equality among the villagers during the cultural programmes organised in the evenings during the camps. The students are told about the importance of plantations during these camps. Symbolically, some plantations are also done with the participation of the villagers.

Every year students participate in plantation programmes on the occasion of world environment day. The forest department of the state government conducts some plantation programmes like **PAUDHA TUMAHAR DWAR YOZANA** in the educational institutes during the rainy season. Our college has been a part of the **VAN MAHOTSAV** programme in the last five years.

## 2.6 Student Performance and Learning Outcomes

**2.6.1 Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.**

**Response:**

The results will be better and the education would be fruitful if the teachers and students are aware of the learning outcomes and programme outcomes. Obviously, the teachers will teach in a better manner if they are knowledgeable of the expectations of the students. They will try to achieve those targets. The college has clearly stated on its website the learning outcomes of the Programs and Courses. The following mechanism is followed by the institution to communicate the learning outcomes to the teachers and students: -

- Hard/Soft Copy of the syllabus and Learning Outcomes are available in the departments for ready reference of the teachers and students.

- Soft Copies of the Curriculum and Learning Outcomes of Programs and Courses are also uploaded on the institution's website for reference.

### 2.6.2 Attainment of programme outcomes and course outcomes are evaluated by the institution.

#### Response:

The attainment of program outcomes and course outcomes are continuously evaluated at various parameters. On the basis of results of internal and external examinations, the course outcomes are directly evaluated. The result reflects the learning outcome of the student and thus by analyzing the results, teachers identify the slow learner and advanced learner and pay attention accordingly. The overall results of the college reflect the program outcome of the knowledge of the student of that particular session. Evaluation of the course outcome can be reflected by seminars, assignments, projects, field works etc. Monitoring is done by the IQAC and the Principal arranges meetings with faculties and instructs them to make arrangements for future improvement. The mission of the college is to make good citizens for the society and to empower women students as they are the future of tomorrow. Also, to make them Academically strong with full of confidence having strong will power and to develop innovative initialization in works. The whole mechanism of the college works in this direction through curricular, co- curricular, extra-curricular and social activities. Achievers of these fields are honoured on different platforms so that the other students are motivated in this direction. The evaluation of the girls can be done through their result. The number of girls students increases every year. The teacher evaluates students to move towards higher studies like postgraduate programs. They are also motivated for the competitive examinations like NET, SET, UPSC, PSC, VYPAM, BANKING etc. Many of the ex- students are now working women in different fields. Social evaluation is done by the NSS unit and motivational lectures to that they remain intact to their social values and ethical culture of the country.

**3.2 Innovation Ecosystem****3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge****Response:**

The institution has created an ecosystem for Innovations. some examples of them are as follows:

- Career Guidance: - Special awareness programme sessions are usually conducted by career guidance team or RUSA which helps the students to move on to the right direction with start their careers. Different workshops were also organised by RUSA and college administration in terms of the personality development.
- Webinar:- There are some webinars are organised in our college in collaboration with different organization such as national webinar was organised on Digital Free Financial Education Awareness by Bombay Stock Exchange in collaboration with Home Science department and NSS Cell. Also Online Quiz on Anti-Drug Abuse was organised in collaboration with RED RIBBON CLUB and ECO-GREEN CLUB. These webinars are very helpful for our student in terms of their increasing knowledge on financial education and harmful effect of drugs in our life.
- Research Facility:- our college is a research centre of Hindi subject. There are 4 research scholars are registered for research work under Hindi Department. And now they have probably submitted their research thesis. So our college is a best institution for research in Hindi subject. Since there are no well furnished or equipped laboratory in our college so we are not able to provide research in science department.
- Geography, Botany, Sociology, Home Science departments take a drive for educational tour, field trip, project work etc. to various geological places, nearby villages where students are able to know the facts about the environment, problems of various issue related to villagers. Due to the field trip in villages they are able to think the problems faced by villagers and try to solve their problems.
- The Home Science department teaches students to make various things from the waste materials due to which students are able to make some innovative things from the waste materials.
- Every year our college organises annual day programme where debate competition or quiz competitions are organised on various topics which are very useful for their overall development for their future perspective.

### 3.4 Extension Activities

**3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.**

**Response:**

The College has made a noteworthy contribution to the society and environment by making a participation

to promote the College-Neighbourhood-Community network. Major emphasis is given on students' engagement, service orientation and holistic development of students contributing to good citizenship. NSS unit and a team of committed faculty members engage students in the community development programmes. Rural India has been facing uncleanliness, unhygienic, malnutrition conditions and the most important problem is open defecation. Lack of awareness is noted among the villagers about such problems as health, cleanliness and diseases. Our NSS unit works for solving such social problems. Open defecation problems may cause several communicable diseases in rural localities and polluted areas. To solve this problem NSS unit and College has decided to aware people at the adopted and camp site village. For abatement with deforestation and pollution problem NSS unit focused on tree plantation among villagers. Our NSS volunteers actively participate in the rallies on AIDS awareness organised by the Red Ribbon Club of our institution and also conduct expert talks on HIV and female foeticide issues for the students. Annually, the NSS unit organizes health camps, blood tests and haemoglobin estimation camps in collaboration with government and non-government organizations. Also, physicians are invited to deliver their talk on health, nutrition and girls' related issues. These activities among students make a positive impact on health awareness and personal hygiene. Working together with other individuals, students learn to negotiate, communicate, manage conflict and lead others. Such programmes sensitize the student volunteers towards the social issues and take the challenge of the lesser privileged sections of the society. By involvement in these extension and outreach activities, the students develop critical thinking skills and time management. Working outside the college campus and with diversified social groups of people allows students to gain more self-confidence, autonomy, and appreciation for others. These activities help them to become good leaders and well-mannered citizens. A number of steps were taken by the National Service Scheme Cell of Government Indaru Kenwat Girls College Kanker to develop personalities and develop creativity in the students. The student volunteers visit neighbouring localities and conduct various activities regularly. Details of a few programmes are given below:

Blood donation awareness camp strengthens the sense of empathy and compassion among donors and also instils in them a sense of commitment and ethical responsibility. Programmes on women empowerment create awareness among girl students of their condition and their rights and among a sensitivity towards problems of women, leading to lessening of gender bias and patriarchal prejudices. All this leads to informed, balanced and responsible citizenship. The activities listed above are indicators of the manner in which multiple issues of social, political and economic significance are discussed and dealt with in order to create sensitivity and understanding among students and contribute to the balanced development of their personality, so that committed and ethically informed citizenship is created.

#### 4.1.2 The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

##### Response:

The institute focuses on the overall development of the students. The institute encourages students to participate in various activities and facilitates them to develop their leadership qualities and ensure skills such as team spirit and personality development. The institute has 3913 square metres playground for outdoor games. Cultural activities are conducted in the open stage area within the campus and there are various cultural and sports activities conducted in the institution.

**Sports and Games:** - The institute has developed the facility for sports and games. The sports officer ensures the students' active participation in various sports competitions. The institute has a badminton court and some indoor games may be played here like chess, carrom and table tennis.

An open playground is provided for the students to play outdoor games such as kabaddi, kho - kho, volleyball, handball and badminton. The games are played under the guidance of the sports officer. A first aid box is available for the primary treatment of the students if they get injured during their practice sessions. The institution encourages students to participate in inter and intra college, university and state level competitions. The institution organizes intra-college sports competitions every year during annual functions and winners and runners up are facilitated with medals and certificates. Many students have represented the college in the university-level tournaments. Some players had the chance to show their calibre at the national level also.

##### Cultural Activities-

The cultural committee of the college motivates students to participate in cultural and extracurricular activities. The committee conducts the annual function in the college and conducts many programs Chhattisgarhi folk dance, folk song, drama, singing, dancing, Mehendi, rangoli, painting, hair-designing, quiz, debate, model and poster making, essay writing, slogan writing, Nukkad Natak etc. are included in the annual function of the college. Most of the students actively participate in the annual function. The institute gives medals and appreciation certificates to winners and participating students and volunteers.

There is no Gymnasium in the college but the college administration has sent proposals for open gym and indoor gym to the higher education department of our state government.

Two senior professors of the college are respective trainers of "Rajya Yog Aayog". They provide training in the district yoga camps, organized by the district administration and various institutions. The institute

celebrates International Yoga Day and it organized yoga camps in the college and NSS camps. Students actively participate in Yoga practice.

## 4.2 Library as a Learning Resource

### 4.2.1 Library is automated using Integrated Library Management System (ILMS)

#### Response:

Library automation is a continuous process. The library of the college is partially automated with KOHA Version software. The library of the college has textbooks, reference books, magazines, e-books, e-journals, newspapers and competitive examination books.

Our college procured the N-list subscription. It is a subscription from the INFLIBNET centre. This membership is a step in the right direction for online access to different study material and journals.

E-resources like INFLIBNET'S N-list not only fulfil the academic necessities of the students but also help in the development of the personality of the students by extracting their skills in debates, interviews, group discussions etc. through the supply of relevant study materials.

The library has 14128 textbooks and reference books. Books are arranged subject-wise and systematically for library management. It has a reading room with internet-connected computers.

## Criterion 6 - Governance, Leadership and Management

### 6.1 Institutional Vision and Leadership

#### 6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

##### Response:

##### Vision

The vision of the college is to serve the education equally to all the students. The majority of the students enrolled in this college belong to the scheduled caste, scheduled tribe and OBC. They belong to rural background and below poverty level. The institution intends to develop moral values as well as empower girls through quality education and meaningful learning process.

##### Mission

- To provide sufficient opportunity for women in Higher Education
- To assure all-round development of our girls.
- To provide social awareness among girls.
- To make them understand the actual meaning of life.
- The mission of the institution is to provide higher education facilities to the girls coming from villages.
- To empower women for nation-building.

##### Core Values of the Institution

- To educate and empower girls of rural backgrounds to make them self-reliant.
- To develop qualities of social, moral and creativity in students.
- To make students good and responsible citizens.

The governance of the institution is reflective of an effective leadership in tune with the vision of the institution. The Principal involves all the teachers in the academic activities and administrative duties of the college. All the permanent faculty are members of the Staff Council, IQAC and various committees. All the members actively participate in the staff council meetings and suggest measures for teaching and learning which plays a key role in the policy making of our college. The college promotes a culture of participative management by forming various committees which also includes student representatives.

#### 6.1.2 The effective leadership is visible in various institutional practices such as decentralization and participative management

**Response:**

Govt Indaru Kewat Girls College, Kanker has an active involvement of each and every staff member in smooth conduction of overall academic and administrative responsibilities. The College administration has formed number of committees which include permanent staff, Guest faculties, office staff and students depending on the nature of committees. **Staff council/ IQAC/NAAC /Grievance Redressed/Internal Compliance and Planning and Implementation committee/** are responsible for monitoring of academic and administrative responsibilities.

**Examination Cell:**

Examination Cell is one of the examples of decentralization and participative management. It follows them annual of examination system which has been prepared as per the guidelines of UGC and Ordinance and Regulations of Shaheed Mahendra Karma University Bastar, Jagdalpur. The principal of the college is the Chief Controller, for Examinations. In this centre, exams are conducted in three shifts. There is one superintendent and one assistant superintendent in the first shift. the same is the case with the second and shifts. Sometimes there is a provision of an additional assistant superintendent if the number of examinees is bigger. Two Clerical Staffs and two class IV employees also engage in the exam cell. Major roles are summarized below:

**Preparation of consolidated timetable and seating capacity of the college.**

Preparation and smooth Conduction of University Theory and Practical examination. Dispatching of answer sheets of theory exams for valuation.

Tabulation and record keeping of attendance /UFM cases/Invigilators remuneration/question papers.

Certifying the attendance in case of result held due to faulty attendance marking at the university level.

**Purchase committee:**

The purchase committee involves faculty members of the college. The committee works for efficient management of the funds received from the state government for purchasing furniture, chemicals equipment, office equipment etc as per the guidelines of the state purchase rules.

**Sports committee:**

The sports officer makes a sports committee. This committee regularly notifies the students of upcoming sports events and also trains the potential students for intercollegiate and other activities hence students from the college are regularly getting awards at inter-college events and also on higher levels.

**Admission committee:**

The admission committee revises the prospectus of the college for offline/online admission and prepares a merit list as per reservation and instruction received from the dept of higher education & University and checks the documents submitted by the student for admission.

**Anti-ragging squad, discipline committee, anti-sexual harassment committee:**

Anti-ragging squad, discipline committee, and anti-sexual harassment committee members regularly keep an eye to check any such nuisance in college. Also, students are instructed at the beginning of each session (induction program) on the code of conduct for students while in campus. Also sudden inspections are done to check the discipline and cleanliness of classes.

**6.2 Strategy Development and Deployment****6.2.1 The institutional Strategic / Perspective plan is effectively deployed****Response:**

Keeping in view the mission and vision of the institution the faculty and students of the college devote themselves in various activities. Being the only girls' college in the district, it is the duty of the institution to excel in girls' education and set an example in front of the society. The majority of our students are coming from rural and low economic profiles and are often the first generation to avail higher education in their families. Hence, our college feels a need for their all-around development by incorporating extracurricular activities, sports and extension activities to make them confident and responsible citizens.

The perspective plan is developed following the procedure of involving the teachers, students and members of various committees of the college. in the field of academics the college has demanded of post-graduation classes in botany and zoology. To upgrade the infrastructural facilities, our future plan is to establish an auditorium, staff quarters, a girls' hostel and a canteen for students.

**6.3.5 Institutions Performance Appraisal System for teaching and non-teaching staff****Response:**

Yes, Annual Self-Assessment Performa based on the directives of UGC has been prepared by the Department of Higher Education of Chhattisgarh Government. Thus, Performance based Appraisal System (PBAS) has formally been introduced for teaching and non-teaching staff. They fill up a self-assessment form that has the details of their performance during that session every year. The committee of few senior assistant professors then assesses the performance of the faculty member and report to the principal. The principal himself also monitor day to day working of the staff and then evaluate each of them at the end of each academic session on the basis of their efficiency.

The principal takes steps to improve the performance of the faculty on the basis of their review and evaluation. Based on the performance of the professors and the staff, the principal forms committees for the efficient working of the administrative staff and increase the efficiency of the teachers for the smooth running of the college.

The Confidential Report along with PBAS form yearly are then forwarded by the principal with his report to the Directorate of Higher Education. The Higher authorities enter their own observations which are helpful at the time of promotion and career advancements, and if there is any adverse comment against any teacher, it is communicated to them. The outcome of such a system is quite encouraging. The teachers have become aware of the significance of their work like teaching, learning, extension activities, research and academic contribution. This system helped in motivating faculty and staff for conscious efforts to improve their performance and maintaining a healthy competitive atmosphere in the institution.

## 6.4 Financial Management and Resource Mobilization

### 6.4.1 Institution conducts internal and external financial audits regularly

#### Response:

The financial audit aims at ensuring financial transparency which is essential for the smooth functioning of the institution. The external audit is done by the auditors from the Accountant General, govt./departmental auditors and chartered accountants. The audit is also done by the departmental auditors

The audit of non-governmental funds like Janbhagidari Funds is carried out by hiring chartered accountants. We have got this fund audited till 2016-17. We have sent a letter for conducting the audit of accounts to the Higher Education Department of our state.

#### Communication and follow-up of audit objection:

If any objection is raised by the auditor, they are rectified by the supporting document/vouchers etc within time frame. No serious objection has been raised so far by the auditors in the previous audits. The auditor specifies comments on mistakes where necessary action is required to avoid the same mistake again in the

future.

#### 6.4.3 Institutional strategies for mobilisation of funds and the optimal utilisation of resources

**Response:**

The college administration ensures optimal utilization of funds through the following procedure: The establishment expenditure of the college including salary and other expenditures are received from the Department of Higher Education, Government of Chhattisgarh for which an estimated budget is sent in February and November every year. Draft budget is prepared every year taking consideration of the requirements of each department.

Budgetary provisions are made use of for administrative and academic activities. The budget is utilized to meet day-to-day operational and administrative expenses and maintenance of the fixed assets. All financial matters like fee collection and salary are supervised and taken care of by the principal.

Procurement Process follows CG Purchase Rules and involves quotations enquiry from at least three different suppliers to find out the competitive prices and the lowest price is approved by the Purchase Committee. Vendor Payments are made to the suppliers, only after the checking that the goods, books and equipment's are in proper condition.

All Payments are done only if authorized by the principal. Most of the payments are done through cheques, bank drafts NEFT/RTGS and internet Banking. Record of every transaction is maintained in the Stock Registers and cash books by the Assistant grade clerk, the librarian and Head of the Departments. The grants received from the external funding agencies like RUSA are effectively utilized by conducting programs for which the fund is allotted.

Janbhagidari Samiti' funds are utilized with the Janbhagidari chairman consent in appointing part-time faculties for Hindi (as sufficient posts are not sanctioned) and Part time computer operator, and lab attendant. Examination funds are also judiciously utilized in remuneration, purchasing of stationary and other subsidiary arrangements for exams.

The construction of the building and other structures and their maintenance is done by the building construction and Maintenance Committee through PWD under the supervision of the principal as per the orders of the Commissioner.

**The college receives the funds broadly from the following sources:**

1. The fees of Students.
2. Any other fund by the government.

**Optimal utilization of infrastructural resources:**

1. Separate time tables for students for utilization of classrooms and work schedule for teaching and non teaching staff.
2. The library is well equipped with text books, reference books, magazine, and online journals.
3. Library sitting hour are extended during the period of examination.
4. The library is also open for alumni and competitive students
- 5 ICT enabled classroom and projector room are available for the student.

**Optimal utilization of human recourse:**

- 1 Experienced and dedicated teaching and non-teaching staff.
- 2 Teacher are involved in various committees and administrative work.

## 6.5 Internal Quality Assurance System

**6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes**

**Response:**

The major contributions of IQAC for quality enhancement in this institution are as follows: -

The institute has started a regular **result analysis** of university exams and internal exams every year which helped us to identify the points where students of this region are performing less and hence our faculty members have started putting extra inputs for students in form of sharing notes, preparing for question-bank, guidance on how to write answers in exams etc. With the initiation of IQAC, a carrier guidance committee was formed which organizes guidance classes for competitive exams like a free Coaching for General Awareness and extra classes for weaker students by various departments.

**Academic Audit of Department: -**

The IQAC initiated the Academic Audit of the Department primarily to take account of teaching-learning and extension processes in all disciplines and to institutional documentation and record-keeping of all academic and extension matters of every department. The process required a self-regulated assessment of the teaching-learning process and systematic management of documents of extension activities. The review-based audit evaluates the fulfilment of the following procedures in teaching-learning processes and extensive activities.

**The IQAC coordinator assesses related to following:**

1. Preparation of Academic Calendar, selection of papers to be taught, timely distribution of timetable, submission of the lesson plan and compliance report of curriculum delivery as per the schedule, and delegation of responsibilities and formation of internal committees for department and extension activities.
2. It also assesses if the teaching–student mentoring program, which provides a meaningful platform for engagement with students and addressing their concerns, takes place regularly
3. teaching methodology uses of ICT facilities, and opportunities for experimental learning are also appraised at the audit meeting
4. documents of internal assessments, policy for the moderation of marks, steps taken to assist slow learner and analysis the results of end semester examinations are examined meticulously as part of the audit process.
5. Documentation of extension activities like various days Jayanti, internal sports activities and events are also registered at the audit
6. **Collection and Analysis of Feed Back:** In 2017 a new system for feedback collection from all the Students, Teachers, parents and Alumni was started which is further analyzed and necessary actions are taken for the improvement of the academic and overall development of our students.

**On Request of our Students Proposal for new UG Courses**

To give our students an opportunity to interact with expert faculties' organization extension lecture in each department was initiated. Also, students were taken for study tours for knowledge enrichment. Students were motivated for active participation in college programs, and extension activities like NSS, NCC, YRC and Sports by giving them the benefit of class attendance and felicitating students who performed well in such activities at the time of the annual function of our college.

For the **development of available infrastructure**, Purchase of Biometric Machine for attendance marking, Purchase of audio System, Projector, (ICT enabled), Purchase of Sports and lab equipment, teaching aids, office and class furniture, CCTV (for security and surveillance), sanitary pad vending machine and incinerator was planned and implemented.

**6.5.2 The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities ( For first cycle - Incremental improvements made for the preceding five years with regard to quality For second and subsequent cycles - Incremental improvements made for the preceding five years with regard to quality and post accreditation quality initiatives )**

**Response:**

Yes, the institution reviews its teaching-learning process, structures & methodologies of operations and learning outcome at periodic intervals. The IQAC evaluates the teaching and learning process through the students' feedback and with the help of Heads of Departments. The Principal conducts meetings of the Staff Council to review the overall performance of the College and presents the perspective Plan. Teaching-Learning is one of the aspects considered in the development of policy and strategy. The Head of the institution gives surprise visits to classrooms to ensure the proper delivery of lectures, punctuality and regularity of classes. All the subject teachers (permanent and guest faculty) conduct the **result analysis** to discuss the performance, the syllabus, and strategies for improvements in staff meetings and the report is presented in IQAC meeting for analysis and recommendations. An advanced teaching plan for every month is prepared for every course and all the members do teaching accordingly so that the courses can be completed in the scheduled time. The principal assesses the quality of teaching through a vigilant inspection of class during lectures and verification of attendance and daily diary monthly and regular interaction with students. The faculty conducts test as per the academic calendar and evaluate and discuss about the Short coming of the individual student. To enhance individual and collaborative learning, students are also given individual and group assignments and seminar and oral presentation tasks. As per the direction of the principal, all the faculty members also prepare and download course material and modules for the topics on which the available matter is insufficient. The college also regularly organizes guest lecturers for the enhancement of knowledge. The IQAC committee monitors and evaluates the teaching-learning process through the academic audit.

The teachers' diaries and attendance records of the teacher are reviewed by the Principal in the first week of every month. The Institution Head also takes the feedback of the students regarding the regularity of the classes. The problems encountered during teaching if any shortcomings are found; the Head takes measures for removing them by instructing concerned faculty.

The use of both languages (English & Hindi) during teaching as the most of the students are from Hindi

medium background. The students are encouraged to come up with their difficulties and their problems are sorted out timely. The students are given assignments and home works to revise the portion covered in the class. Apart from teaching in the class, the students of the science faculty have regular practical classes in the laboratory. The students are strictly instructed to be present in the practical classes. The students get a clearer understanding of the topics taken up in the class through practical practice. Every effort is made by the college administration to ensure zero tolerance in the campus on ragging and indiscipline.

## Criterion 7 - Institutional Values and Best Practices

### 7.1 Institutional Values and Social Responsibilities

**7.1.1 Measures initiated by the Institution for the promotion of gender equity during the last five years.**

**Response:**

Women should be given equal rights and now a days we find them successful in each and every field. There should be no difference on the base of their sex while providing them opportunities. These thoughts are imbibed in the students of our college through various activities. The NSS and Youth Red cross units organize many programmes keeping in view those thoughts. Though the students of our college belong to only one gender i.e. female, yet they should be given proper education in this regard as in the future they have to take care of their families. The NSS unit tries to promote a sense of gender equality among the students during regular activities, The students are sent to spend a week in a nearby village in special camps where they come into contact with the villagers of that area. During the cultural programmes, they try to promote these thoughts through dramas and other activities. This also happens during the programmes of the annual function every year. Various competitions on gender issues are organized like elocution, debate, slogan and essay competitions. In this direction, the central and state governments also order to organize such programmes in the educational institutes. The orders are followed by our college as sincerely as it is possible. During the teaching of different subjects also the teachers try to make the students understand that there is no difference between a male and a female and all are equal. The college has the photographs of many successful women in different fields like sports, science and politics.

**7.1.3 Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 500 words)**

- **Solid waste management**
- **Liquid waste management**
- **Biomedical waste management**
- **E-waste management**
- **Waste recycling system**
- **Hazardous chemicals and radioactive waste management**

**Response:**

**Solid Waste Management:** The college has its own system to manage the solid waste within the college premises and to keep it garbage free. Solid waste management steps include dustbins of various shapes are placed at college campus so that the disposal of solid waste can be treated. Sweepers are appointed to check and clean the college campus. They collect and segregate the solid waste from colour coding dustbins. Discard stationary, used bulbs, tube lights are collected from offices and classroom and are send to the municipal collection center and rest of the solid waste biodegradable wastes like paper, dried leaves and twigs of plants, fruits, leftover food from lunch boxes etc are dumped for compost preparation maintained by NSS. The college has a Nadep Tank for recycling process. Through this Nadep tank it recycles into manure and thus manure is used in garden within the college premises.

**Liquid waste management:** The institution has its own water supply system. We have our own borewell within the campus and collected water through the overhead tank. We collect water through overhead tank within the scheduled time thus reduces the further wastage of water. In our college drainage system is built surrounding college building for minimizing the wastage of water.

**Bio medical waste management:** There is no Bio medical waste at present in the college.

**E waste management:** **Our college produces less amount of e waste.** Used CD.,. and non-working computer, monitors, printers, AC etc are first brought into the notice of write off committee and then disposed according to the prescribed guideline.

**Waste recycling system:** The college has Nadep tank through this all the litters and dry leaves are recycled into organic compost.

**Hazardous chemicals and radioactive waste management:** There is no Hazardous chemicals and radioactive waste at present in the college.

#### **7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens (within 500 words).**

**Response:**

Our college undertakes different initiatives by organizing various activities to sensitize students and employees to the constitutional obligation: Values, Rights, Duties and responsibilities of the citizens. On 26th Nov, Constitution Day is celebrated in our institute every year. On constitution day our guest generally narrates the fundamental rights, duties, Values and responsibilities of citizens as stated in Constitution of India. They appeal all to remember the struggle of freedom and respect the National Flag and National Anthem. Our constitution provides human dignity, equality, social justice, Human rights and freedom, Rule of law, equity and respect and superiority of constitution in the national life. Our country is governed on the basis of the rights and duties enshrined in the Constitution of India.

Assistant Professor Mr. Sunil Sahu nominated as SVEEP PROGRAMME Coordinator and Assistant Professor Ajay Patel under whose guidance, Electoral literacy club and voters awareness program are created to literate the students and the general public about the Democracy. A voter's pledge programme is organized on 24th Jan for students and faculties at college campus every year. Essays, slogans, Rangoli competition, debates, quiz competitions are organized on the national voter's day at college. The college also conducts a Voter awareness programme for all the students and they are sensitized about their constitutional powers of voting. Swachha Bharat Abhiyan has also been an important initiative taken up by the college where we have organized an awareness rally for the students and took a tour in entire town to create awareness among all. Every year Republic Day is Celebrated on 26th Jan by organizing activities highlighting the importance of Indian Constitution.

## 7.2 Best Practices

**7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.**

**Response:**

**Response:**

### **Best Practices – 1**

**Title of the practice:- Yoga for everyone**

**Objective of the practices**

1. To enhance the physical and mental health
2. To enhance the abilities
3. To explore the importance of yoga
4. To provide healthy environment for academics

**Context** – In present scenario it is felt that the youth of today is blindly following west they are slowly but gradually moving away from own culture and human values at the initial stage of this practice. Most of the students are not interested in the yoga but after providing them healthy environment they come to practice yoga to enhance their ability and personality.

**THE PRACTICE-** Yoga for everyone is organized by our college to make the student aware of yoga culture and values. One special educational yoga period is included in yoga period and student perform different Asanas through which they enhance their mental and physical abilities

**EVIDENCE OF SUCCESS-** The increase in the number of participants shows that the student want to be involved in activities like this we can also visualize change in their behavior like respect for elders. Student are actively participating in different activities which makes positive in student life like personality development and number of student who scored in academic and other activities are continuously increasing and they are appreciated with certificate and prize.

**PROBLEM ENCOUNTER AND RESOURCE REQUIRING-** At the initial stage of this practice the student are not so interested in yoga but after providing them healthy environment they love to do yoga. Institute have lack of infrastructure and also lack of financial resources which create problem for implementation.

## **Best Practices – 2**

**Title of the practice :- Aushdhi Vatika (medicinal plant)**

### **Objectives of the practice-**

- 1.To know about medicinal and nutritional values of plant
- 2.To make the students aware of these plant and their economical values
- 3.To preserve the extinction of some rare species.
- 4.To maintain the college environment green and clean.

**Context-** Reserve and rich stream of healing tradition arte integral part of Indian's health care system. Ayurveda is the most ancient yet living and it is widely accepted and flourished indigenous tradition of India. Ayurvedic practice has no side effects but allopathic treatment causes many side effects. In modern scenerio it is difficult to make the student prepare to make interest in growing a herbal garden in the college campus and it is very hard to realize them that these medicinal plants are the core of all medicines.

Aushdhi vatika in our college where medicinal plants are grown which we conserve and flourishing the different and valuable herbal medicinal plants.. these garden serves an important tool for teaching and recourse and promote the medicinal value of the plants for the students of science stream especially of Botany the students of other streams are also gain knowledge by visiting this garden. For economic purpose of the students, they cultivate, harvesting processing and utilization and marketing. A medicinal plant valuable contribution.

We don't have specifically any course related to these medicine and we explained the student about these plant by superficial knowledge like name, species advantage and disadvantage. Yet, confidence in the Allopathic treatment if any ..... is deeply rooted in students and it is very hard to make them believe that these plants are more effective and useful for our health.

**Evidence Of Success :-** Student show ample of interest in the gardening and voluntary work in the garden and the garden is grown by them under the guidance of their teacher in the college. Initially we have some plant in the garden now it's a well-developed garden with more than 100 species of medicinal plants. And some of them are very rare. Student are showing their interest in cultivation and some are also interested in business purposes and they are encouraged to cultivate these plants at their backyard. Students have also started to use the medicinal plants for their common health complaints.

**Problems encountered and resources required:** - We have lack of infrastructure for growing medicinal garden still we can expand the area by planting more trees here. This garden has been grown specifically by the effort of students but creating awareness about these plants among the students is still a difficult task. Allopathic treatment is more used by people.

## 7.3 Institutional Distinctiveness

### 7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

#### Response:

The college was established in the year 1989 with the objective to promote girls' education in the district. It is one of the leading girl's colleges in tribal dominated areas of Chhattisgarh. Thus, the responsibility of the college toward promotes girls' education and to enhance the overall development of the student was a greater task for the institution which our college has in due course of time our college was able to fulfill the motto of the college. For this purpose, the institution has organized different activities which have enhanced the character and depth of the student's personality. For academic performance of the students' teachers take classes regularly on the bases of syllabus prescribed. On regular base class tests, unit test, quarterly tests, half yearly tests, pre final tests are been conducted on scheduled time which has improved students' performance in university examination. On occasions, seminars workshops, quiz contests, easy contests are conducted. guest lectures are also conducted.

Few Areas where college has come forth in recent news are-

- In last three years of activities for carrier and placement committee has increased and college faculty has also initiated free General knowledge classes for preparation of competitive exams and student response was quit promising.
- Some of the faculty members have donate books related to competitive exams so that girl's student doesn't have to purchase book from Library and can read there on Library.
- The teachers treat these girls as their own child and ensure their security and safety. They also provide personal counseling whenever any student is in stress and always try to help their students.
- Students are motivated to participate in various intra college/inter college and social awareness activities through NSS/YRC to strengthen their personality and confidence and to prepare them for tomorrow
- The college IQAC has initiated to collaboration and skill development. We also organize number of extension lectures for providing an opportunity to interact with subject experts.
- The institution organized blood donation camp on annual bases in this campaigning teacher and students learn about social responsibility and nation building.
- SWEEP Program :- On the order of Collector SWEEP program was organized in college under which students are taught about voting wright of citizen.
- With proper support, motivation and training our students are performing well in sports and few have coined their name at state and National level in ball badminton, Kabaddi etc.
