Key Indicators 3.4 Extension Activities

3.4.1 Extension activities are carried out in the neighbourhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.

The College has made its noteworthy contribution to the society and environment by making a participation to promote College-Neighbourhood-Community network. Major emphasis is given on student engagement, service orientation and holistic development of students contributing to good citizenship. NSS unit and a team of committed faculty members engage students in the community development programmes. Rural India has been facing uncleanliness, unhygienic, malnutrition conditions and the most important problem is open defecation. Lack of awareness is noted among the villagers about such problems like health, cleanliness and diseases. Our NSS unit works for solving such social problems. Open defecation problem may cause several communicable diseases among rural localities and pollute area. To solve this problem NSS unit and College has decided to aware people at adopted and camp site village. For abatement with deforestation and pollution problem NSS unit focused on tree plantation among villagers. Our NSS volunteers actively participate in the rallies on AIDS awareness organize by Red Ribbon Club of our institution and also conduct expert talks on HIV and female foeticide issues for the students. Annually, NSS unit organize health camp, blood test and haemoglobin estimation camps in collaboration with government and non-government organizations. Also, physicians are invited to deliver their talk on health, nutrition and girls' related issues. These activities among students make positively impact on health awareness and personal hygiene. Working together with other individuals, students learn to negotiate, communicate, manage conflict and lead others. Such programmes sensitize the student volunteers towards the social issues and take challenges of the lesser privileged sections of the society. Involvement in these extension and outreach activities the students develop critical thinking skills and time management. Working outside the college campus and with diversified social groups of peoples allows students to gain more self-confidence, autonomy, and appreciation for others. These activities help them to become good leaders and well mannered citizens.

A number of steps were taken by the National Service Scheme Cell of Government Indaru Kenwat Girls College Kanker to develop personalities and develop creativity in the students.

The student volunteers visit neighbouring localities and conduct various activities regularly. Details of a few programmes are given below:

S No.	Locality	Activity	Impact
01.	Village Bhiravahi	Awareness Campaign on Right to Education	Excellent - awareness generation regarding lack of education among slum children and of their rights.
02.	Village Anjani, Shahwada, Tarasgaon	Health Awareness	High level of awareness generation regarding health
03.	Village Shahwada, Ichchapur	Cleanliness & Plastic free campaign	Good
04.	Different villages in block Kanker/Narharpur/Charama	Voter Awareness, Human Chain	Satisfactory - Awareness generation regarding voting
05.	Kanker City	ODF-Distribution of leaflets in slum area	Very high level of Sensitization of students to issues of cleanliness and hygiene in neighbourhood and surroundings
06.	Village Anjan	Cleanliness in tribal	Very satisfactory
